

# GERMAN LANGUAGE TRAINING & CONSULTATION FOR HIGHER EDUCATION IN GERMANY

Edunova was founded in the year of 2015 with the vision of German language development in aspirants through the innovative training methodologies.

Edunova believes in non-accelerated German language training with a focus on teaching the local culture of the country to make their students learn the language from the roots. Teachers with min. qualification of MA in German / C2 German are deployed to teach the levels from A1 to C1. Edunova is the partner of the local German institute 'Communication Akoun und Scholten, Duisburg' which gives a platform for the students to go to Germany for advanced training and explore career opportunities in Germany. Edunova also focuses on individual career guidance.
